### Hayden Happenings

Mrs. LePage left on Sunday for Phoenix to spend a few days. A fine boy arrived at the home of Mr. and Mrs. George Mount on Tuesday and has decided to become a permanent member of the family. Ferris Green of the Knight-Thompson Co., is spending several days in Phoenix with relatives.

Mrs. Ross Hill is visiting in Phoenix this week.

Mrs. Fancher and Mrs. Cruze are among those who returned last week from their summer vacation.

The infant son of Mr. and Mrs. Jack Trotter who has been critically ill for a week is reported to be improving.

Hugh Cummings was married on Thursday night to Mrs. Sarah Case of Tempe. The ceremony occurred at the bride's home in the presence of friends and relatives. Mr. and Mrs. Cummings are pending a few days in Prescott, before returning to Hayden to make their home.

Carl Pleasant, who left Hayden two years ago for Oklahoma, was in Hayden Sunday, renewing acquaintances. Dr. Hart of the hospital force at Ray is in town assisting Dr. Norman for a few days.

The marriage of James Hassett and Miss Lillian Dunlap took place in Phoenix on Thursday afternoon, in the presence of a few friends and relatives. The happy couple are spending their honeymoon in Phoenix and will return October 1. They will be at home in one of the new cottages being built by the Ray Co. Co.

Both Mr. and Mrs. Hassett are well known in Hayden, having lived there for several years. Mr. Hassett is one of the foremen in the mill and his bride is the charming daughter of Mr. and Mrs. Jack Dunlap of Smelter Hill.

Mrs. Ezzeville of Phoenix arrived Saturday and will have charge of the 3rd and 4th grade work in the school. Miss Shoshusen's pupils have

been divided, half of them being now under the care of Miss Ekstrom. Even this arrangement does not obviate the crowded conditions of several of the rooms, but is the best that can be done till the new building is ready for occupancy.

Mrs. Patton planned a pleasant surprise to celebrate the fourteenth birthday of her son, Howard, and of Mattie Owens, which occurred on Saturday. All the young people were present at Mrs. Patton's home and had a glorious time.

The Ray Co. orchestra announces a series of dances to be given at the theater on Friday nights during the winter.

### REPRESENTATIVE HAYDEN TO MEET CONSTITUENTS

Question of National Suffrage to be Considered

A postponement was announced yesterday of the meeting between Hon. Carl Hayden and several suffragists which was to take place at the Hotel Adams this afternoon. On account of another engagement, Mr. Hayden will be unable to take part in the conference before Saturday morning at ten o'clock. It will be held in one of the parlors of the Hotel Adams.

The conference will not be between Mr. Hayden and the representatives of any organization. It will be a talk between the representative and his constituents for, as he has said, he is at all times pleased to learn the views of those whose interest in Arizona is the same as his own.

Though some of the ladies who will meet Mr. Hayden are members of the Congressional Union it will be in their capacity as his constituents that he will meet them and discuss the national suffrage question with them.

### GAFFNEY ASKED TO RESIGN

[ASSOCIATED PRESS DISPATCH] WASHINGTON, Sept. 29.—Thomas St. John Gaffney, American consul general at Munich, Germany, has been asked to resign his post because of partisan utterances on the European war. Officials will make no announcement concerning the case pending the receipt of word from Gaffney. The consul general is understood to have made statements reflecting on the president's policy in the European war.

### A BOOSTERS' CLUB FOR THE WHOLE STATE

A Boosters' club for Arizona, backed by every chamber of commerce in the state, with an unlimited membership, ready and willing to take the Hassayampa oath, "first the state, then the county, then the city," is Judge P. O. Smith's idea of an organization that should be formed here during fair week.

Judge Smith, who presides over the superior court of Yavapai county, is in Phoenix for a few days on judicial business, and when not occupied in the court room has taken the occasion to "boost." He believes that there is nothing that stands more in the way of the progress of a state than petty jealousies and lack of co-operation among the counties. A get-together with one purpose only, and that for the general good and welfare of Arizona, is what Judge Smith advocates.

Incidentally the judge has a word or two to say about his own particular city.

"Prescott is booming in every way. Agricultural conditions have never been better nor the mining situation more optimistic. There is great building activity and we are especially proud of our new \$250,000 courthouse. The entire second floor will be given over to the court room, witness and jury rooms and clerk's offices. We are anticipating an early visit from Secretary McAdoo, when our new federal building will be begun."

Judge Smith would make no comment in regard to the cramped quarters of the local courthouse, but he did suggest that a union city hall and courthouse for Phoenix might be a very good thing. He believes the site of either the courthouse or city hall plaza would be ideal for this building, and the remaining plaza to be converted into a city park.

### WHEN ARIZONA LED IN AMUSEMENT FIELD

The theatrical advertisements of the Los Angeles newspapers announce that "The Battle of Przemysl" is being shown at the Mason Opera House this week. "Excellent as that picture was, it is old and almost forgotten in Phoenix. It was shown here six weeks ago and since then it has been seen in some moving picture house in every town in the southern part of the state. It is not often that Arizona leads southern California in the amusement line but the Phoenix Amusement company which was unusually wide awake saw the possibilities of popular interest in that great picture of the Correspondents' Film company before the managers of Los Angeles had heard of it.

It is said to be filling the Mason Opera House but presumably none of the thousands of Arizonians who are contributing to the prosperity of Los Angeles will spend money to see what all of them have seen.

## DELAY OFFERED TO WATER USERS

Land Office Notifies Casa Grande Entrymen They Must Apply for Suspension of Rejection Order Pending Priority Suit

Notices were received at the land office yesterday for a number of entrymen under the Casa Grande canal system, advising them to take advantage of a recent offer of the commissioner of the United States land office to ask for a suspension of the order on recommendation of the Carey act inspector pending the settlement of the priority suit in the Pinal county court, or else forfeit their entries. Twenty-seven notices were received for entry whose yearly proofs, recently made to the land office, set up the claim of expenditures in the canal system as a basis for their acceptance by the land office. These notices advised that within thirty days, application must be made to the land office, asking suspension of the order.

Seventeen notices were received for those who had filed their yearly proofs since the first order directing them to ask suspension of proof, pending the settlement of the priority suit.

Judge Lockwood of the Cochise county court, sitting in place of Judge Baughn, of Pinal, who is incapacitated by prior connection with the matter, has just received a delayed transcript of the testimony in the priority suit. He is reviewing it, and getting ready to prepare his decision. This decision is expected to be handed down right shortly.

When entrymen under this canal system applied to the government to have their expenditures in the canal approved as part of their proof of improvement, upon which to base application for patents, the government sent an inspector to the tract. He reported that the development of the canal was not sufficient to insure the total water requirement necessary to the land holder as part of his proof. The commissioner then, rejected all applications, and gave the entrymen thirty days in which to disprove the inspector's allegations, to show that they could do the required reclamation work by other methods, or to appeal the case to the secretary of the interior.

Meanwhile, the priority water suit was started. A resident attorney of the Casa Grande water users in Washington learned of the commissioner's order and induced him to wire an amendment to the notice which he had just sent to Phoenix for distribution to the water users.

Register Weedon of the land office, displayed the telegram to the post-office and withdrew his notices, which had already been put in the mail, but which had not been sent out of the local postoffice that evening. The amended notice, directing those who had claimed their expenditures for the canal system as part of their development work, to make formal application for the delay, was then distributed.

## CLAIRVOYANT GIVES POLICE CHIEF WORK

Medium Says Missing Woman Lives Near Phoenix—Daughter Writes About It

On the basis of a clairvoyant medium, Chief of Police George O. Brishols has been asked to locate a woman, unheard of by her daughter for nearly twenty-three years and who, according to the "soothsayer" is living on a ranch near Phoenix, happily wedded to her second husband, a man with a Thompson or a Thomas in his name. The appeal to the chief comes in a letter from Mrs. Roy Armstrong of Ottawa, Ill. In her letter to the chief Mrs. Armstrong says:

"I am writing you in regard to my mother. I was put in a home in Chicago when a babe, then I was adopted by people named Anderson and I lived with them until now both are dead. Now my greatest desire is to find my own mother and possibly brothers and sisters.

"I went to a medium the other day and she told me my mother lived around Phoenix, Ariz., on a little homestead. She said she was heavy set, had white hair and that she was married again. Now her name before she married again was Graff. My name was Anna Graff. The medium said the man she married was a small like man, of dark complexion, and

that there was a Thompson or Thomas in his name.

"I was born May 12, 1892. Am now 23 years old, married and have two children and a big brown birth mark on my left side.

"Enclosed find a 2 cent stamp for reply. Please look this up as soon as you can and let me know what you can do as I am very anxious to hear about it. The medium said I had brothers and sisters I had never seen. So I will await your reply and oblige, MRS. ROY ARMSTRONG, Ottawa, Ill.
